Laurianne,

I think the document that Jerry is looking for is in SEMS #1242344 but it won't let me access the attachment that it's in. I bet Jerry already has it.
Do you want me to try again tomorrow?

Sharon

See my notes in blue. Let me know if you need me to dig deeper and I can. I cannot seem to get my files to open, including the attachments to the referral. I literally cannot access any adobe/pdf docs. I have a call into the helpdesk
